Or something like that they call us, we don’t know

When you come to Zolocrust, you are not just eating, you are experiencing something that took hours and hours of Hardwork, Errors, Frustration, Moments of Joy, Attention to Detail and Experimentation. You are not just buying Food & Drinks, you’re buying a piece of our heart, a small piece of our life.

Our vision is to have a place in your heart, second only to home.

WANNA HEAR A JOKE ON PIZZA?

never mind, it's too cheesy :P

Jokes apart, we do have a secret for you to keep! An amalgamation of ingredients from different parts of the world isn't our only secret for our signature pizza. What adds to the secret of it is our motto to bake freshly every day!

Be it our thin crust or hand tossed Neapolitan, it's like that exquisite art our chefs practice.

Grilled veggie (L), Margherita (R)

Neapolitan pizza

OOPS! THIS IS WHERE WE MESSED UP

Took an hour to serve a pizza, that too without customisation requested... Taste was okay, not great
