1/5 Stars - Disappointing Experience at Zolo Crust

I'm extremely disappointed with my recent visit to Zolo Crust. The pizza I ordered was a letdown, with a taste that was just too bad. Unfortunately, things only got worse from there.

When I politely asked if I could get a different topping or a remake, I was told that I would be charged extra. As a customer, I expect some level of flexibility and understanding, especially when the food doesn't meet expectations.

The combination of subpar food and inflexible service has left a bad taste in my mouth. Unless they revamp their menu and improve their customer service, I wouldn't recommend Zolo Crust to anyone.
