We got a Sibling! @ Clarks Avadh, Lucknow

Or something like that we should call it, but hey, it's our new outlet!

Months of preparation have led us here, from curating the space to shaping the team behind it. With the ovens on and everything in place, we have begun our new journey in the City of Nawabs.

It's a special moment for us, and we are grateful for you to be a part of our journey.

This is where we messed up

Dine in | Dinner | ₹1,000-1,200

I had an extremely disappointing experience at Zolocrust Cafe Pizza. Not only did they change the recipe for their signature pizza without any notice, but the new version was absolutely terrible. The flavor was off, and it didn't even resemble what I had come to expect from their so-called "signature" dish. To make matters worse, when I pointed out the change, they had the audacity to charge me extra for it! This is beyond unacceptable. I will not be returning, and I suggest others avoid this place if they value good food and fair pricing.
