

BITE-SIZED SCOOP

October-December 2025

Open 24 Hours Tuesday to Sunday
& Monday open 6pm onwards

Dear Valued Customers,

As Zolocrust celebrates its 10th anniversary, we want to extend our deepest gratitude to each and every one of you. Over the past decade, you've not only dined with us but also become part of the Zolocrust family.

As we reflect on, we feel incredibly fortunate to have such a loyal community. Your feedback, your smiles, and your continued patronage have driven us to keep improving and innovating. As we celebrate this milestone, we want you to know that we will continue to pursue a place in your heart and strengthen our 5 Silas —

- To abstain from serving any being on our menu
- To abstain from stealing (includes paying our fair share of taxes)
- To abstain from sexual misconduct
- To abstain from telling lies
- To abstain from serving intoxicants on our menu

We look forward to serving you for many, many, many more years to come!

With heartfelt thanks,
The Zolocrust Team

a slice from history...

Meet Khem Singh, who has been there with us since we started our ovens!

On reflecting back on his journey, he shared:

"Looking back, my journey with Zolocrust has been truly special. When we started with the chef-run concept, it was exciting but also a little challenging because we weren't just cooking, but also serving, taking orders, and learning along the way. I still remember the opening day so clearly- the energy, the endless cooking, and the smiles that was spread all around. Running a 24x7 open kitchen hasn't always been easy, but these 10 years have taught me so much. I've grown a lot, worked with amazing people, and made memories I'll always cherish. I feel grateful for everything I've learned and excited for what's waiting for me ahead."
